Job No. 360

Please allow this correspondence to serve as a letter of recommendation to Prospec Painting for the work being executed on this project. Your workmanship and work ethic is greatly appreciated.

You're supervisory foremen James Grumble and Joe Mayer are doing and, have done a great job, of scheduling their work around and with other on-going trades. Their prompt attention to organizing the paint scope to stay on, within and ahead of the aggressive schedule associated with the finish out of this project is truly admirable.

Sincerely,

A handwritten signature in black ink that reads 'Miguel S. Castillo'. The signature is written in a cursive style with a long horizontal stroke at the end.
