RE: Baltimore NFL Stadium at Camden Yards

Dear Mr. Yarbrough:

It is our pleasure on behalf of the Maryland Stadium Authority and the Whiting Turner/Barton-Malow/Essex Construction Management Joint Venture to congratulate Pro-Spec Painting, Inc. on the fine performance demonstrated during the construction of the Baltimore NFL Stadium at Camden Yards.

Your team was professional and courteous throughout the assignment, paying good attention to safety and quality. Despite a difficult schedule, your team was responsive to our needs. Both project managers worked long hours and ensured that sufficient staff was always available to meet any request for extra services in a very timely way. They were very knowledgeable, and their advise was invaluable in selecting the right products for the right applications

Once again, the Maryland Stadium Authority was pleased with the enthusiasm and efforts displayed throughout this project. Pro-Spec Painting, Inc. proved to be a valuable member of our team.

Congratulations on a job well done!

Very truly yours,

 

Alice M. Hoffman and Gary Harkness
