Project: Enron Field – Houston, Texas

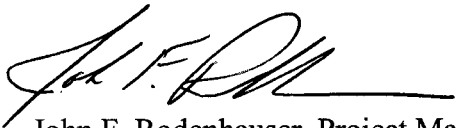

Subject: Work Performance

Dear Ron:

I am writing to express our thanks to not only you but also your entire staff associated with Enron Field. Your staff was part of a great effort that produced a great opening for the Astros and the City of Houston. The effort of your personnel, in conjunction with many others, made the opening a great success. I think the greatest testimonial to everyone's effort is that I have never seen a negative word in print or heard a negative comment from radio/TV to date.

Again, I thank you and your staff for your efforts.

Very truly yours,

John F. Rodenhauer, Project Manager
Brown & Root Building Services
