RE: Ocean City Convention Center

Dear Mr. Yarbrough:

I would like to thank Pro-Spec for your dedication on the painting contract on the Ocean City Convention Center expansion project.

Your field workforce provided a quality product under difficult scheduling conditions. As the Convention Center remained open during construction, daily phasing issues surfaced which Pro-Spec worked as a team with the Maryland Stadium Authority to resolve.

I wish you success in your future endeavors and trust we will have the opportunity to work together again.

Very truly yours,
