Painting and Wallcovering Contract

Dear Ron,

I would like to take this opportunity to congratulate Pro-Spec on the completion of the Painting and Wallcovering portion of the PNC Park Project. Given the fast-track nature of this project, Pro-Spec endured many adverse conditions while still maintaining the aggressive schedule. Pro-Spec's attention to detail and professionalism from field and office personnel was an integral part of achieving a quality end product.

Pro-Spec should be considered in the future for projects of this magnitude. If you have any questions, please do not hesitate to contact me at (412) 384-1000.

Sincerely,
Dick Corporation / Barton Malow, A Joint Venture
